Completed: April 2010

Key Skills

- **Carpentry & Woodwork:** Proficient in framing, drywall repair, shelving, and cabinet installation.
- **Plumbing Repairs:** Skilled in fixing leaks, unclogging drains, replacing faucets, and repairing toilets.
- **Electrical Maintenance:** Experienced in light fixture installation, outlet replacement, and troubleshooting.
- **Painting & Finishing:** Expertise in interior and exterior painting, staining, and minor wall repair.
- **Appliance Repairs:** Knowledgeable in basic appliance maintenance, repairs, and installation.
- **Customer Service:** Friendly and reliable with excellent communication, ensuring client satisfaction.

Experience

- **Self-Employed Handyman Toolsville, TX May 2015 - Present**

Serves over 50 regular clients with a variety of handyman services, including carpentry, plumbing, electrical repairs, and appliance installations. • Known for completing projects efficiently and maintaining a 5-star rating on multiple service platforms like Thumbtack and Angie's List. • Handles minor renovations and extensive repair projects, including bathroom remodeling, drywall installation, and deck repairs, with a focus on high-quality workmanship.
- **Maintenance Technician BrightSide Apartments - Toolsville, TX March 2012 - April 2015**
 - Responsible for regular maintenance of a 200-unit apartment complex, performing a wide range of repairs in plumbing, electrical, and HVAC systems.
 - Addressed daily maintenance requests from tenants, reducing response time by 15% by implementing an organized request tracking system.
 - Collaborated with property managers and contractors to execute larger projects, including repainting common areas, pool maintenance, and installing energy-efficient fixtures.
